

CANDIDATE HUMAN RIGHTS AND EQUITY VP

ONA LOCAL 6

John Dash

About Me

- Registered nurse for 6 years in the ophthalmology Centre at NYGH
- member and founding co-chair of the LGBTQ2S+ committee
- experience in creating and implementing new hospital policies, procedures and initiatives
- member of a designated equity group with lived experience in championing human rights and equity

Mission

My mission is to represent ALL ONA members in Local 6 across all bargaining units. I seek to uphold the human rights and equity positions outlined by ONA. I also look forward to the opportunity to engage with members and to find new ways to raise awareness of important social and workplace issues our members face. I intend to champion and actively honor the lived experience and contributions of all members by supporting the creation of diverse EDI committees for groups seeking equity in their workplaces.
