Stacy Liu

Local Vice President Senior's Health Centre Site Representative

I am putting my name forward for the position of ONA Local Vice President / Senior's Health Centre Site Representative because I believe every member deserves to have their voice heard, to be treated fairly and respectfully, and to have strong representation in the workplace.

As a nurse and a member of our team, I understand the challenges we face in our daily work. I am committed to listening to members' concerns, communicating openly, and working collaboratively to find solutions. I believe that effective representation starts with being approachable, accessible, and willing to listen.

To me, being an ONA site representative is not simply about holding a position. It is about being a voice for our members and standing beside them when they need support. I am committed to advocating for fairness, a safe and respectful workplace, appropriate working conditions, and quality patient care.

If elected, I will continue advocating for our members, supporting a safe and respectful work environment, and ensuring that members are informed about their rights under our collective agreement. I will continue working to bring members' concerns forward and make sure their voices are heard.

I would be honored to serve as your representative and be someone you can approach when you have questions, concerns, or need support. Together, we can strengthen our workplace and continue to advocate for quality patient care and a strong nursing profession.

Thank you for your trust and support.
